

## SEMEN

All breeders inseminating their mares with semen from the stallions of Clémence Faivre accept the following terms and conditions as applicable to all existing and future business relationships.

The following information should be provided in conjunction with semen orders :

- **Stallion's name**
- **Name and full address of the mare's owner**
- **Exact shipping address, if different from the mare owner's address**
- **Mare's details (name, UELN, copy of lineage table, age)**

The stud fee is payable prior to the use of the semen.

The breeder's certificate will not be issued or forwarded to the association until payment of the stud fee has been effected.

Europe-wide fresh semen deliveries are possible within 24 hours.  
Shipping costs of 60€ as well as 30€ for the issue of a veterinary health certificate are charged per delivery.  
Costs for special requests as express or weekend shipments may differ.  
Please enquire about prizes.

The semen supplied to the buyer remain the property of Clémence Faivre until the payment is completed.

If a stallion becomes unavailable at short notice during the breeding season for any particular reason (show, sickness, etc...), we will offer you frozen semen, if possible, or an alternative stallion of your choice.  
In this case, you will only be required to pay the stud fee of the stallion used. Stud fee are non-reimbursable.

For the Mares coming at Clémence Faivre's the stable, they will be at the risk and expense of the owner.

Artificial insemination and veterinary treatments (cervical swabs, gynaecological examinations etc...) will be performed by the stud veterinarian.

Mares will only be inseminated after a follicle check by the stud veterinarian.

Please remember that all mares must have a cervical swab in advance, except for 3 years-old maiden mares and fillies.

If the mares does not conceive or resorbs, you will get a credit of half of the stud fee paid in the previous year. This is subject to veterinarian confirmation of the mare not being in foal being provided by 1 December.

Frozen semen : We have frozen semen of nearly all of our stallions in stock and the purchase of single breeding doses is possible (please enquire about prices). For shipment please either send us a suitable shipping container or rent it from our veterinarian for a charge of 200€. You have to pass your order in time (approx 5 days in advance) because the preparation and shipment takes longer than for fresh semen.

**The frozen semen can not be resold.**
